A D A/C# E/G#

Come and hear a story told

F#m D A E/C#

Of a man who could walk on the water.

F#m D A Bm7

The wind and waves would all obey

F#m D A E

At the sound of His name they would bow and proclaim...

A D A/C# E/G# A D A/C# E

He's alive! Heaven is open!

F#m D A/C# E/G# A D A/C# E

He's alive! Strongholds are broken!

\* same chords as 1st vs \*

Christ the King of everything

Sent to die, crucified even for me.

Tears of shame fell to His grave

But we lifted our heads as we heard a voice say...

\* same chords as 1st vs \*

Come and hear a story told

Of a man who could walk on the water.

And when the world says that He's died,

We will lift up our hands and redeemed we will cry...
